1. In response to reference (a) concerning an opportunity to brief the General Services Administration (GSA) "Blue Ribbon Panel" on the Agency's plans for use of land in the Bureau of Public Roads (BPR) area, the Director of Logistics was informed to take no action for the time being. Reference (b) reports a subsequent informal request from GSA personnel to present a similar briefing. As indicated in reference (b), GSA shortly plans to initiate a survey of the BPR property.

2. The Building Planning Staff, Office of Logistics, is currently preparing a usage plan for the portion of the BPR property of interest to the Agency and will complete the task by 28 July 1970. We would appreciate an opportunity to brief you on this plan in the middle of next week in order to seek your direction on what action to take in response to GSA's briefing request.
